MEMORANDUM FOR: [REDACTED]

ATTENTION: [REDACTED]

SUBJECT: Requirement on Soviet Military-Economics

1. Attached are several copies of a general requirement we have prepared on the subject of Soviet military-economics. It was prepared, and submitted, as a requirement under the Gaps in Information program. Currently, it is being processed here.
2. We have high hopes for this requirement -- that it will do much to fill the void. Any comment you may have would be appreciated.
3. The NOFORN control has been used to designate that there are elements of the requirement, in its present form, which should not be passed to Foreign Liaison services. Such elements have been underlined in red pencil.
4. I hope all is well with you. Please say hello to the others for me.
